

**The Church of the Good Shepherd
Welcomes
BOB MONCRIEF
as our Music Director**

In mid-September, we will welcome Robert Moncrief as our new part-time organist and choir director. Bob comes to us from Cleveland, Ohio, where he was the Music Director for 16 years in a large Presbyterian congregation. Prior to that, he served parishes and institutions in Michigan, New York, Virginia, and Connecticut.

Bob went to the College of William and Mary in Virginia, earned his Masters in Music at Yale University in Connecticut, and has completed other advanced studies. His experience as a church musician spans over 45 years, and includes directing voice and handbell choirs, planning worship services, conducting, and performing in and hosting organ concerts. He is also an accomplished tenor.

Our new Music Director's professional accomplishments are truly outstanding. He is eager to bring his talents and expertise to serve Good Shepherd while learning to live a more laid back life here in paradise. He should adapt quickly, as he notes on his résumé that his interests and hobbies are "gardening, antiques, cooking, travel, beach, and attempts at bridge."
