EPISCOPAL CHURCH OF THE GOOD SHEPHERD

A PLACE WHERE . . .

People of all ages gather to worship God, cherish each other and serve the community;

questions about faith, relationships and the Bible are discussed openly and with respect for everyone; and

the hurts and hopes of the community are taken seriously and addressed compassionately.

WE INVITE YOU TO . . .

Think about faith in new ways and grow in the life of the Spirit, and

join us in bringing good news and good things to the last, the least, the lost and the lonely.
